□ Applicable √ Not applicable

(III) Changes in major accounting data and financial indicators and the reasons

√ Applicable □ Not applicable

Item	Change (%)	Main Reason
Net profit attributable to shareholders of the Company (from the beginning of the year to the end of the reporting period)	N/A	In the first three quarters of 2026, the Company's net loss attributable to the Company increased by 38.48% year-on-year. This was primarily due to foreign exchange gains turning into losses as a result of fluctuations in the exchange rates of USD, EUR, and other currencies, as well as an increase in investment losses recognized under the equity method due to losses incurred by associates.
Net profit attributable to shareholders of the Company net of non-recurring gains or losses (during the reporting period)	N/A	
Net cash flows from operating activities (from the beginning of the year to the end of the reporting period)	-290.65	The decline in revenue resulted in a decrease in cash received from sales of goods, while increased material procurement and the maturity of notes payable and letters of credit led to an increase in cash paid for the purchase of goods.
Basic earnings per share (RMB/share) (from the beginning of the year to the end of the reporting period)	N/A	Increase in net loss
Diluted earnings per share (RMB/share) (from the beginning of the year to the end of the reporting period)	N/A	
Weighted average return on equity (%) (during the reporting period)	Down 0.84 percentage points	
Weighted average return on equity (%) (from the beginning of the year to the end of the reporting period)	Down 3.57 percentage points
